**EXAMINER'S Reason's for Allowance**

1. The following is an examiner's statement of reasons for allowance: The prior art of record alone or in combination fails to teach or fairly suggest applicant's claimed invention for the reasons stated in applicant's amendment and response filed on 11/21/05. Furthermore, the newly prior art of record of Fujiata et al and Shiono et al fails to teach or fairly suggest "wherein the areas comprise first pixel-like formations having a first orientation and second pixel-like formations having a second orientation being different than that of the first pixel-like formations orientation, said pixel-like formations being arranged to diffract light for producing uniform lighting and to produce substantially uniform light out from the light pipe regardless of the distance from a light input end of the light pipe." as claimed in independent claims 1 and 17.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
